Seeking a role in a dynamic organization where I can apply my skills in UI/UX design, graphic design, and digital marketing to contribute to business growth while continuously developing my expertise.

Experience

Doorstep Health Service **July 2024 - Present**
Executive Graphic Designer and Digital Marketing **Pune**
<https://doorstephealth.in/>

Responsible for managing and growing social media presence from inception. Created and executed social media strategies, shot and edited video content, designed graphics, and developed captions. Analyzed engagement metrics on Instagram, LinkedIn, and Facebook, contributing to client acquisition.

Notion Pixel Design **Feb 2023 - Sept 2023**
Graphic Designer **Ahmedabad**

Led a team of five designers, overseeing graphic design projects for clients. Managed design reviews, ensured brand consistency, and optimized creative workflows for improved project efficiency.

Netsavvies Media Co. **Dec 2021 - Jan 2023**
Graphic Designer **Ahmedabad**
<https://hungrito.com/>

Served as a Graphic Designer and Digital Marketing Associate, designing creatives for the Tvito app and managing digital media for Hungrito. Coordinated and executed marketing campaigns for multiple food festivals organized by Hungrito and Netsavvies.

Mrudang
Freelancer

Volunteered as an Event Manager with Mrudang, Udaan, and Seva Café, coordinating and managing logistics for special events and community initiatives.

Education

GLS University **June 2019 to May 2022**
Computer Applications **Bachelors Degree**
7.4 CGPA

Umrigar Memorial School **April 2018 to March 2019**
Commerce **Higher Secondary**
69%

Vanita Vishram School **April 2016 to March 2017**
Matriculation **SSC**
66%

Certifications

UI/UX designing **April 2023**
Frameboxx 2.0

Currently enrolled in UI/UX certification at Frameboxx 2.0, gaining expertise in wireframing, prototyping, HTML, CSS, Bootstrap, Dreamweaver, Adobe Creative Suite, and Figma.

Projects

Origin: Drop The Waste **-**

Developed a cost-effective waste filtration system that automatically removes waste from sewage and deposits it into an attached dustbin. Implemented an alert system to notify authorities of waste bin capacity and location, enabling efficient waste management and system maintenance.
